

GigRealm

LIVE ENTERTAINMENT MADE EASY

For Venues

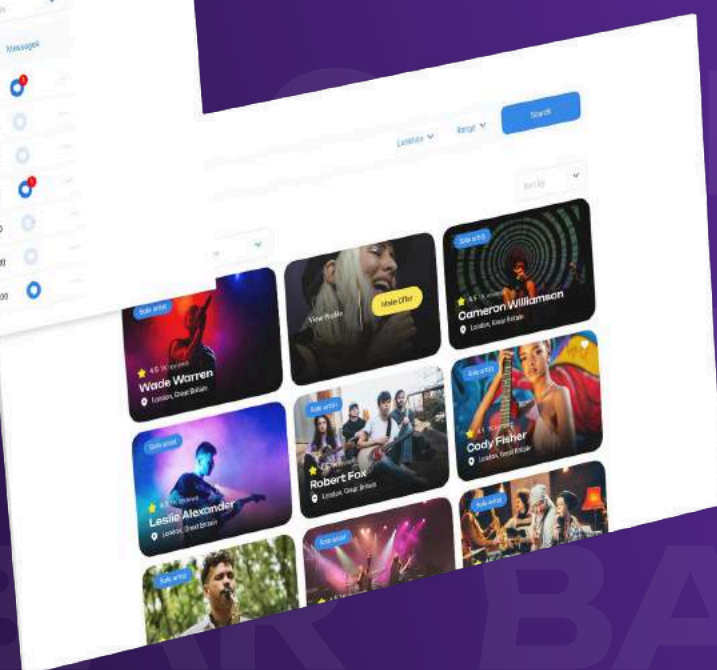

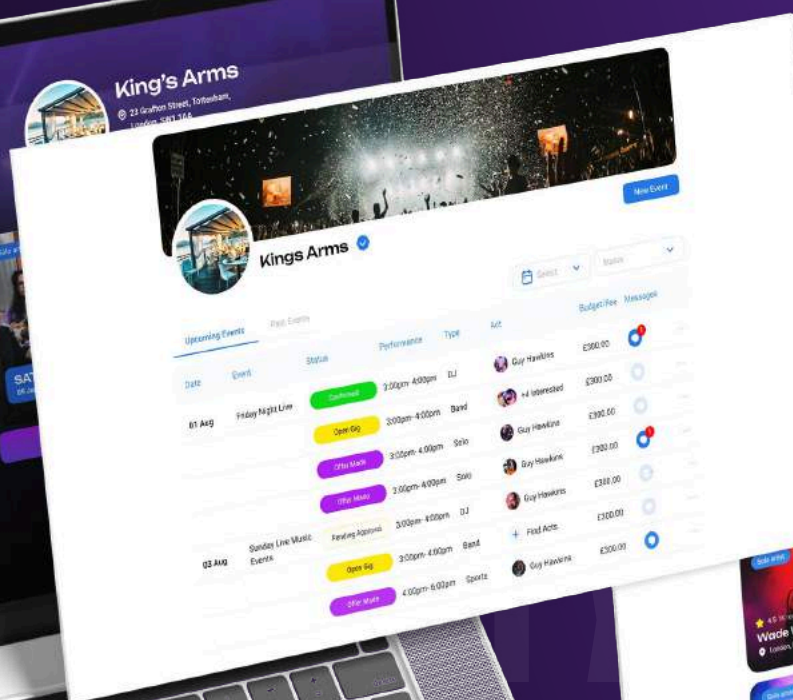

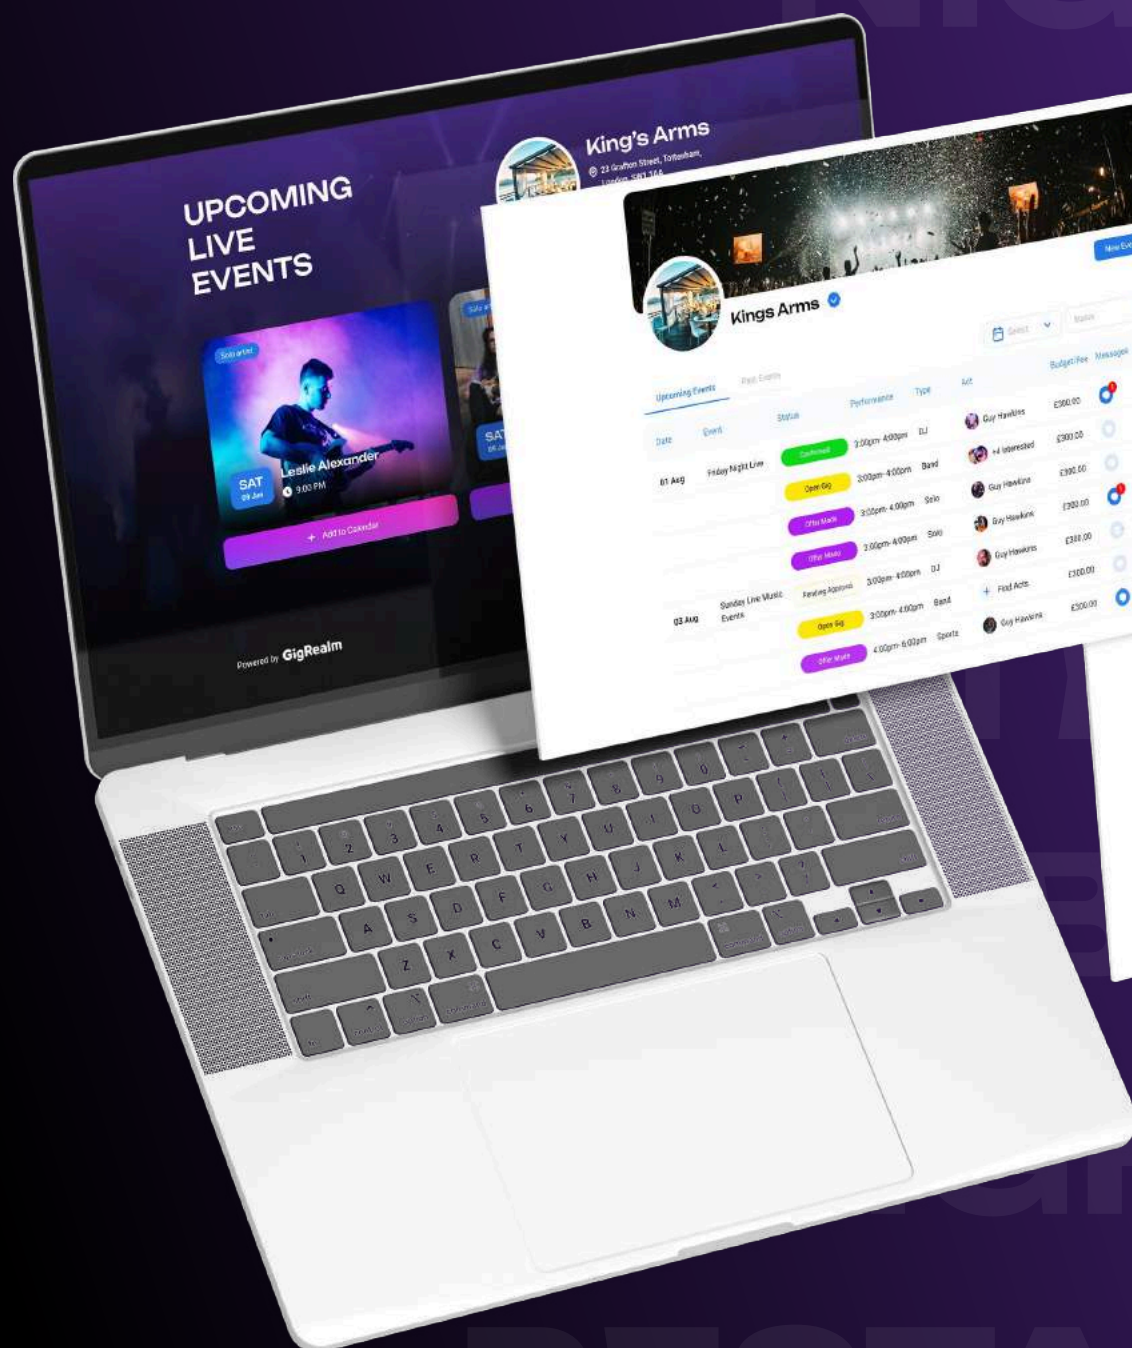

Welcome to the leading platform for organising live entertainment!

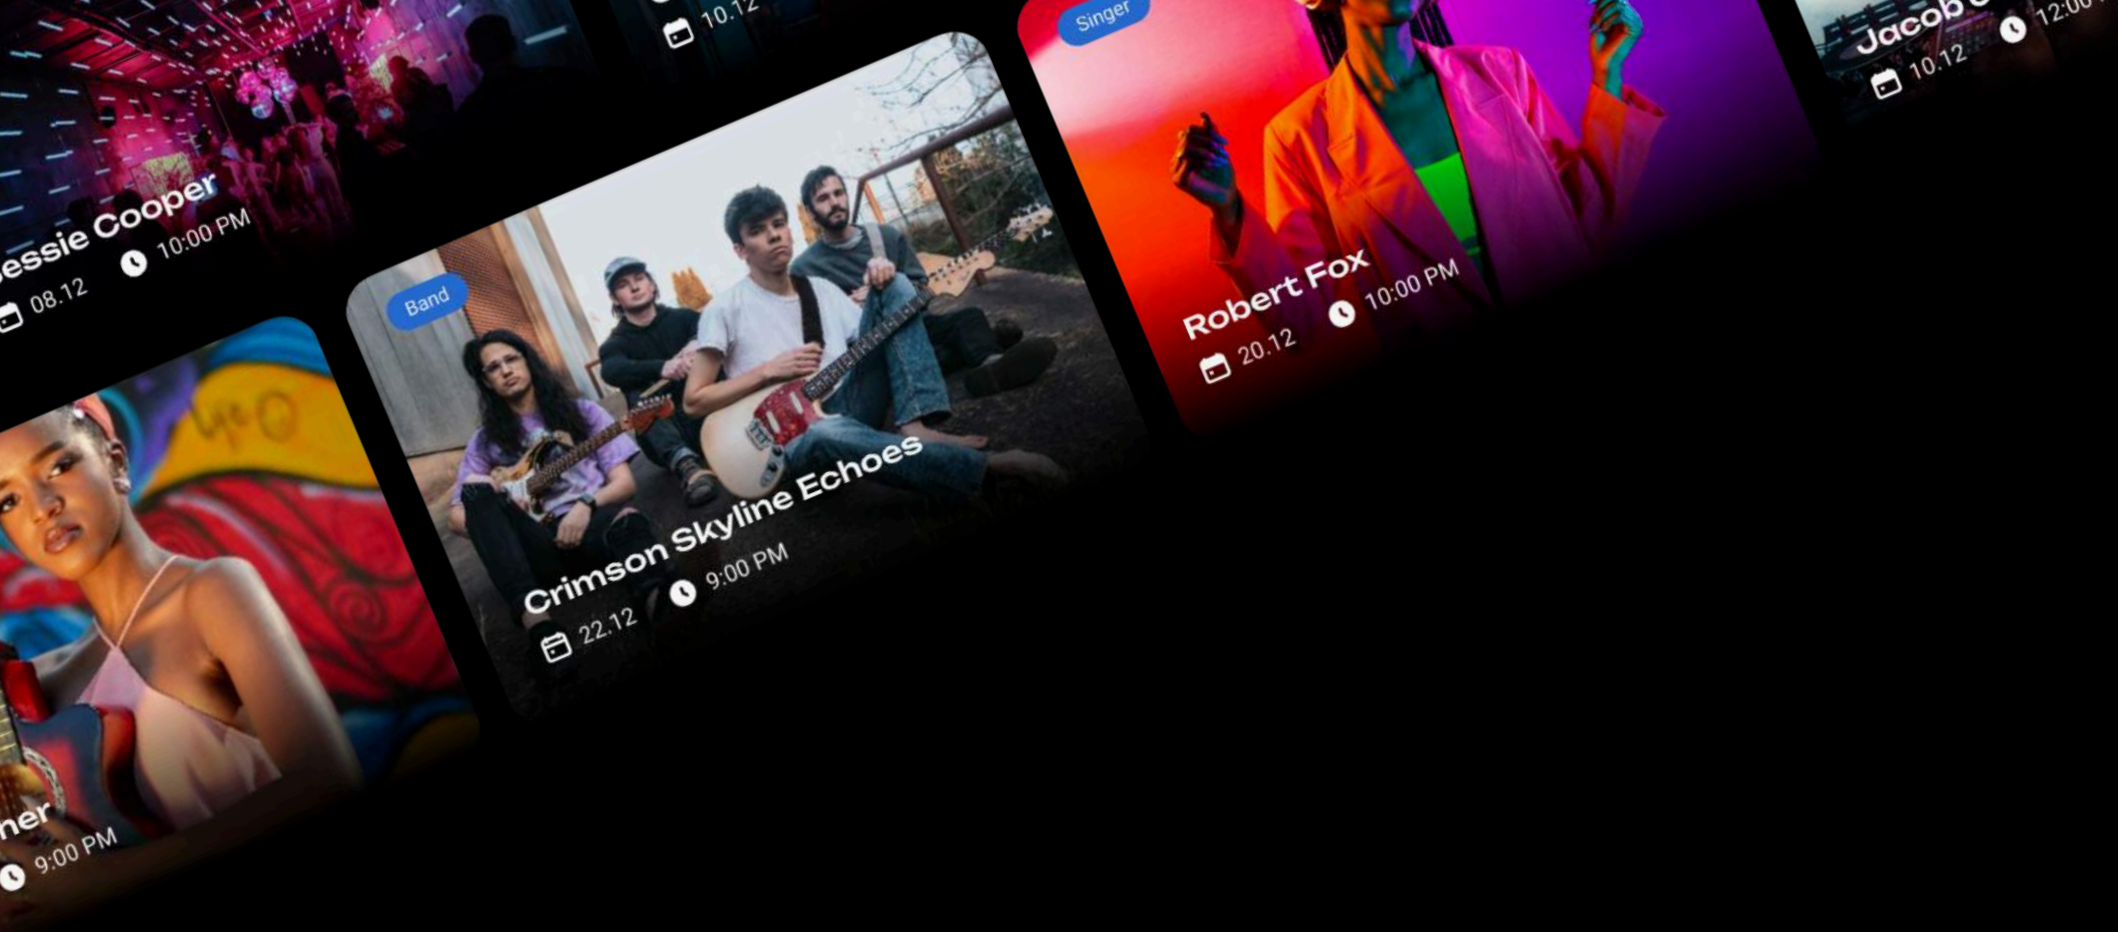

GigRealm provides venues and their teams with direct access to entertainers across the UK. No middlemen, no hassle. Just find, book and pay all your acts through your easy-to-use dashboard.

Proud members of:

Our Entertainers

Providing professional talent across the UK. Whether you're looking for new ways to keep customers in venue longer or wanting to diversify your offering; we have something for everyone.

4000+

TALENT

How it works?

1

Book

Add events

Manage budgets

2

Budgets

Manage all spend so there are no surprises

3

Promote

Online and in-venue to drive footfall

4

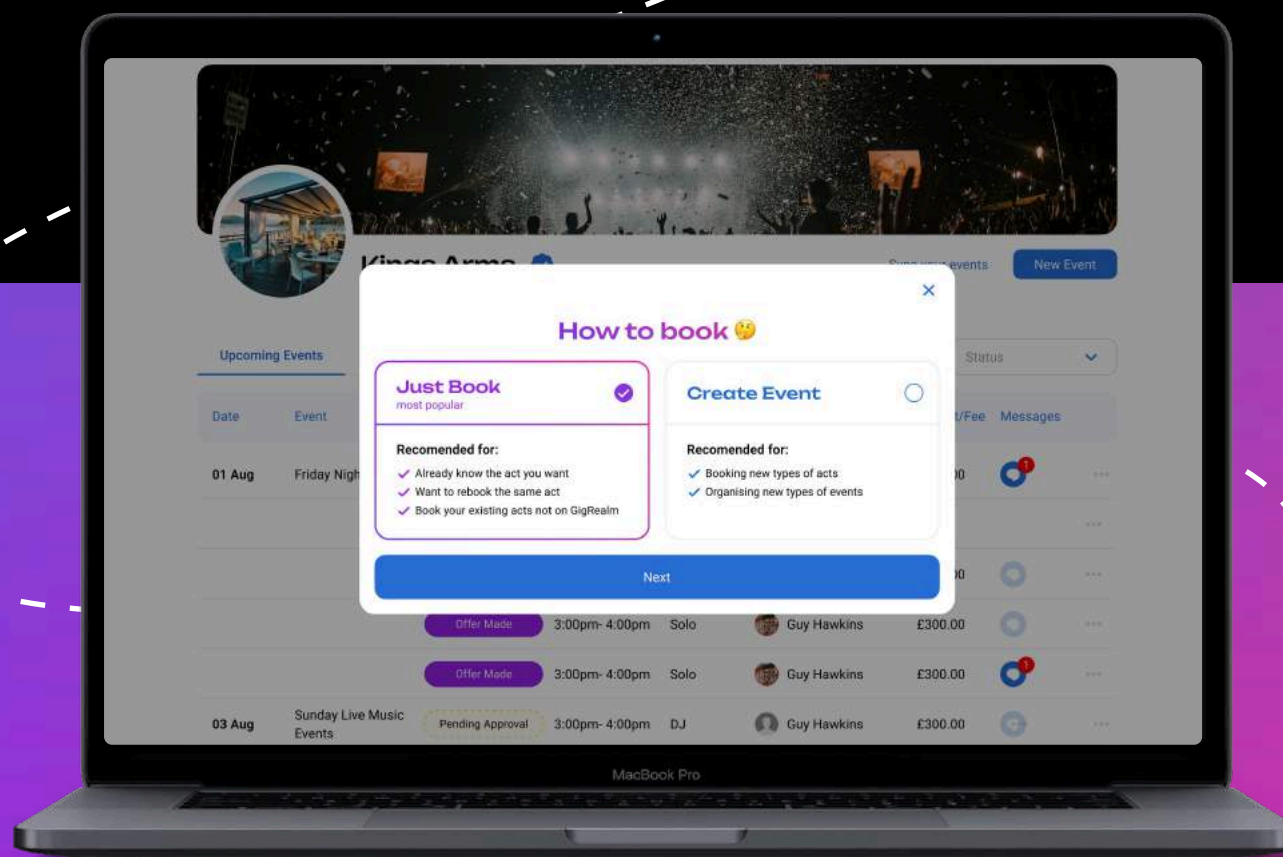

Pay

Trigger payments to acts direct to their bank

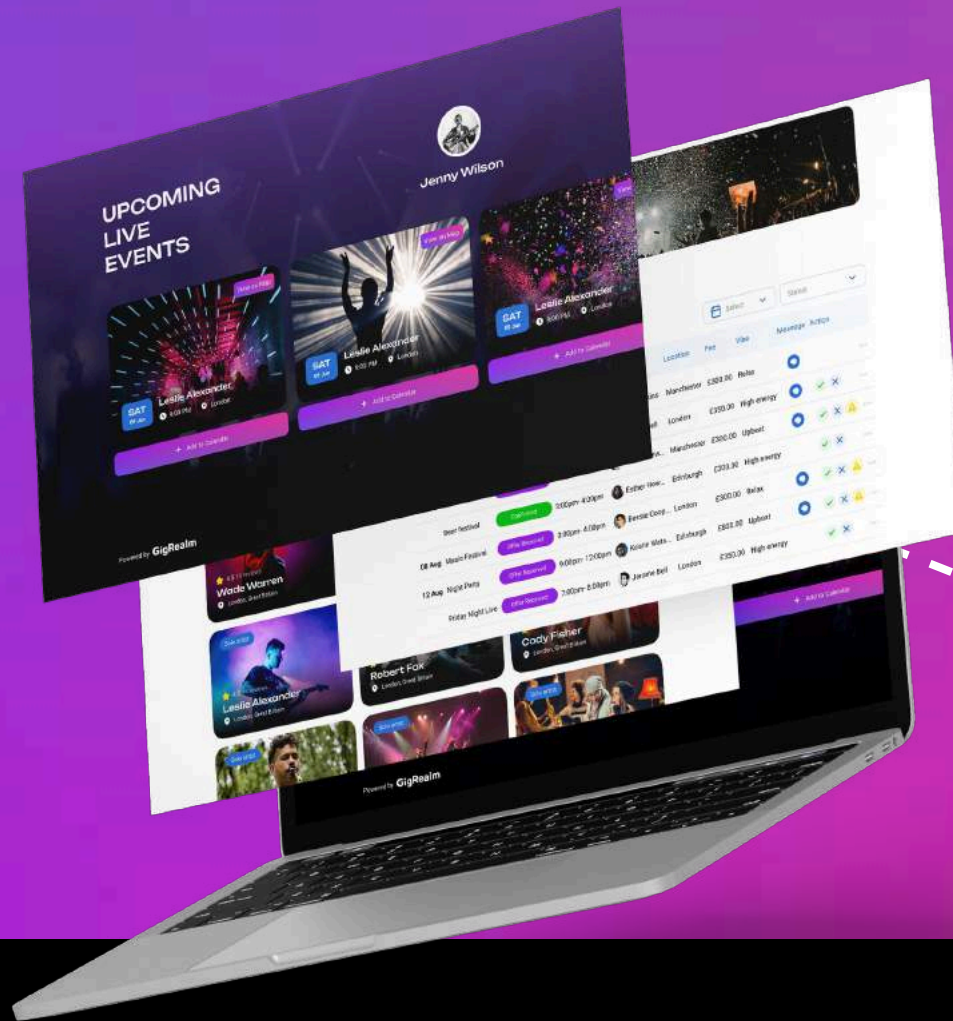

HOW IT WORKS

1 Book Acts

Book new talent or make booking existing acts you use, easier. All whilst managing everything from one dashboard.

WORKS

Control Budgets

Manage multiple venues? Give your Ops team full control over how much sites spend to stay on top of ROI.

Auto-Approval Spend

Centralised Billing

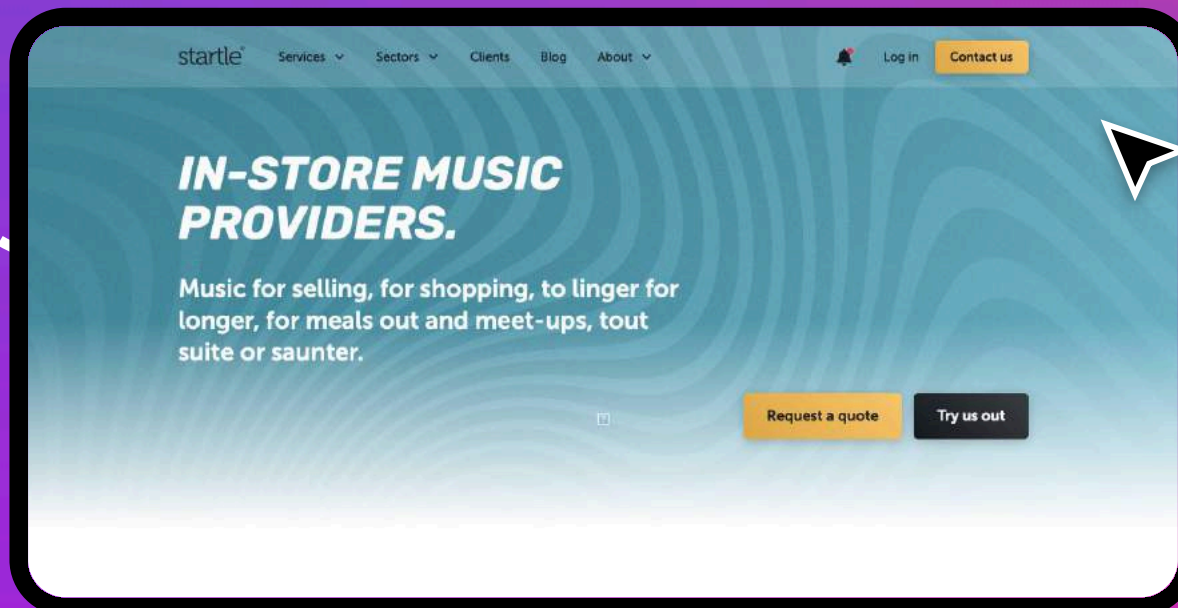

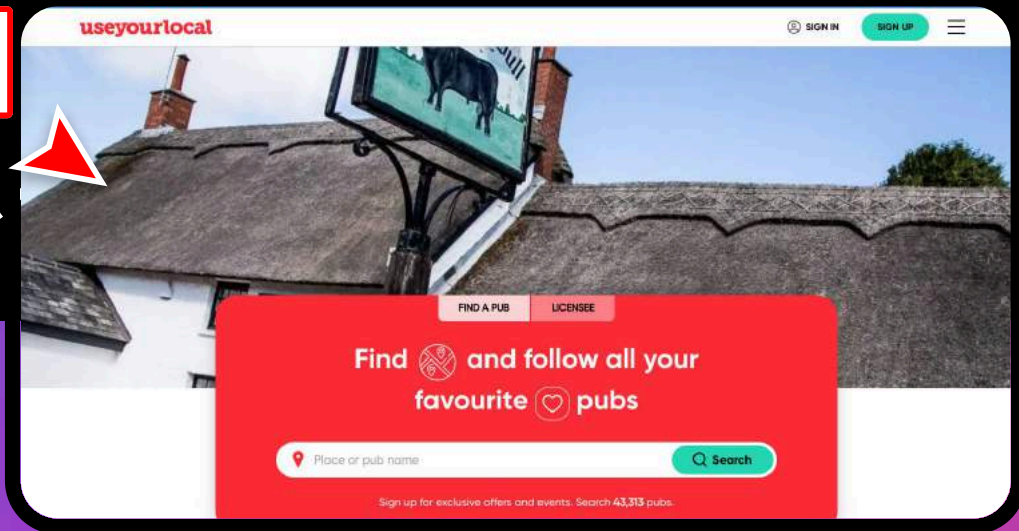

Full Reporting

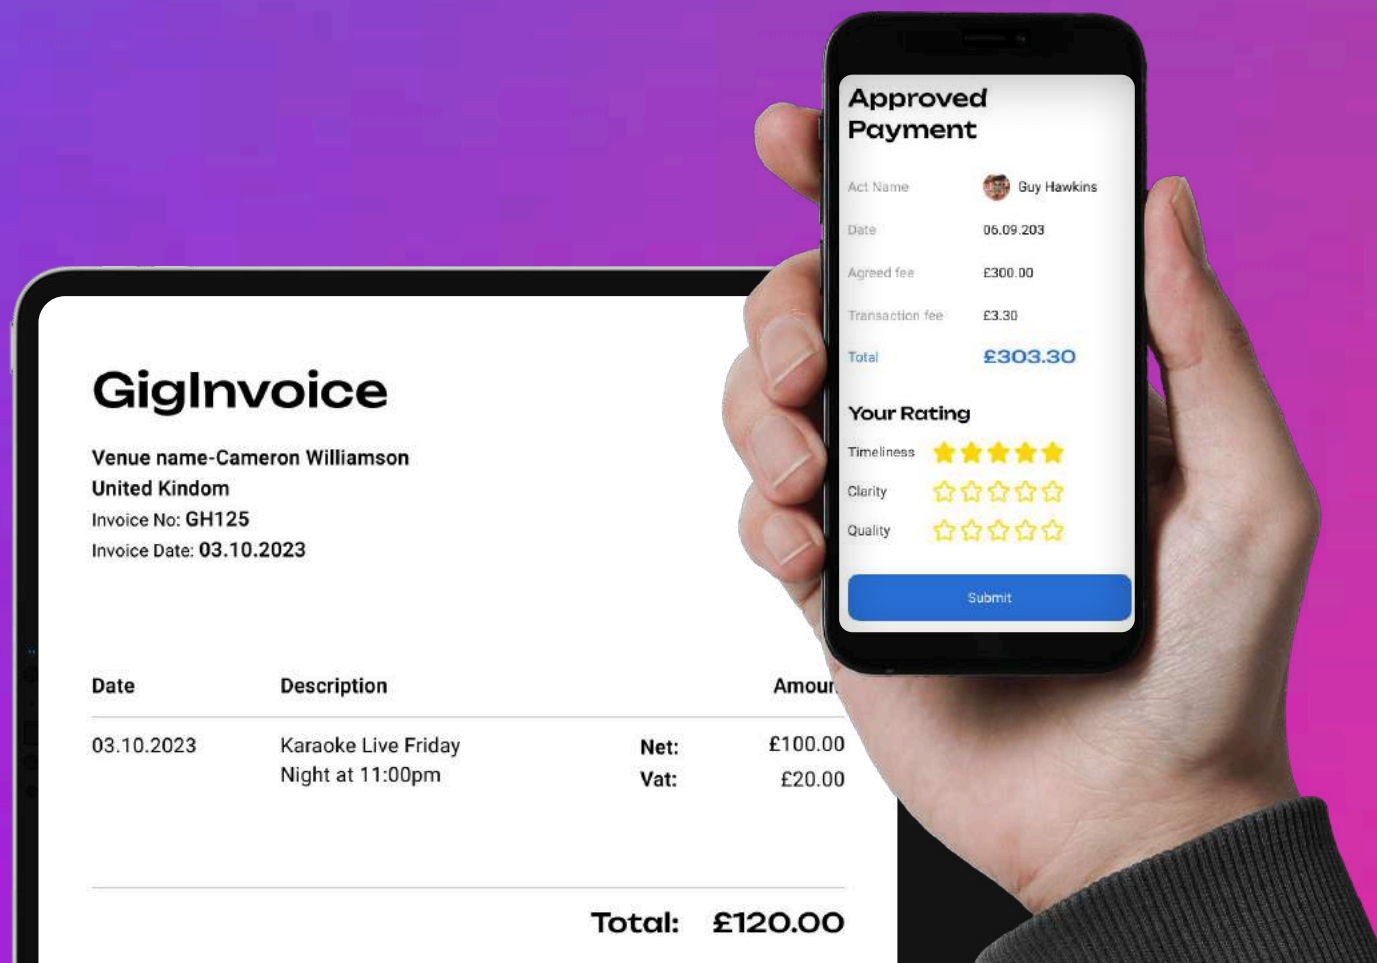

Advertise Events

Take the stress out of having to promote your events. Auto-push events to new customers via UseYourLocal.com. You can even promote automatically in-venue to existing customers using Startle digital signage to advertise events.
